

## Taste of Sierra Madre Art and Essay Contests Extended to August 23

With the addition of two more sponsoring schools, Gooden and Bethany Christian, the Taste of Sierra Madre organizing committee has agreed to extend the deadline for ALL qualifying K-12 entries to both the art and essay contests. These additional entries will be added to the 150+ submissions already received in all age categories.

This year's theme is "Children's Smiles Around the World" which ties to the creation of new children's smiles through this life changing, cleft palate surgery. Student entries are welcome from k-12 students residing in or attending school in Sierra Madre or at Pasadena and La Salle High Schools.

Art and essay contest forms, plus a video link to the cleft palate surgery organization are also available on the website. To apply for one of the fifteen restaurant and food purveyor spots and ten school/service club spots, to be an event sponsor, donate or volunteer services or time, visit the event website, [www.ATasteOfSierraMadre.com](http://www.ATasteOfSierraMadre.com) or call event chair, Tom Brady at 626-355-3471.
